All Commercial Branches, Individual Instruction

About six months ought to complete a course in Shorthand and Typewriting; also a complete Bookkeeping course in about the same time.

AN IDEAL COURSE

Take three months of Bookkeeping and six months of Shorthand—about nine months in all—and you have an excellent business equipment.

Pupils may enter school any day or evening.

THE NEW BRUNSWICK ELECTRIC FIRE ALARM SYSTEM.

Number of box indicates location of fire.

One or three strokes of the bell indicates break in line or test.

Five strokes of the bell denotes fire out or under control.

Three threes (3-3-3) is a general alarm: all companies will respond.

The test signal (three strokes) is given every night at 6.30 o'clock.

The alarm must be sent from the box nearest the fire. No alarm must be given for a fire outside the city limits.

Keys may be obtained at the places designated upon the painted signs placed under each fire alarm box.
